

## Our Facilities

The Redhouse Hotel has well appointed facilities which are available to all our guests. Outdoors.....Guests of all ages will enjoy the extensive Patio and Poolside area located between Maxton Lodge and the Red House Hotel. During the summer months this is a very popular spot for guests to relax, sunbath and take a dip in the heated pool. Bar meals are also served in this area, on a fine day you never need to leave the poolside.

We also have a quiet enclosed beer garden just outside from the indoor pool lounge.
